

### **Affordable Prices**

Our relationship with top manufacturers allows us to offer great equipment at affordable prices.

### **Prompt Installations**

Installation of CCTV equipment has long been a problem. We understand that, and know the frustration it can cause – not to mention the losses incurred during this time. That's why we strive to process and deliver orders in the quickest possible time.

You'll probably be amazed at how quickly we deliver.

Remember we deliver Nationwide.

### **Wide Selection**

There are hundreds of items available on our online catalog.

### **Showroom Network**

Procurement over the Internet is fast and easy.

The specially trained staff at our Head office can answer all your questions, and help you select the system you need.

Affordable prices, prompt delivery, a wide selection of equipment, an easy-to-use online catalog ... yes, Direct CCTV is different. It's that simple.
